Yeah! I was able to make friends,
so every day is totally fun...
.....it's hard for me to say, but...
This storyboard is boring, so it's...

Sorry for making it hard to say!!
Kaosu-sensei,
seems like you've got used to the life in the dormitory.

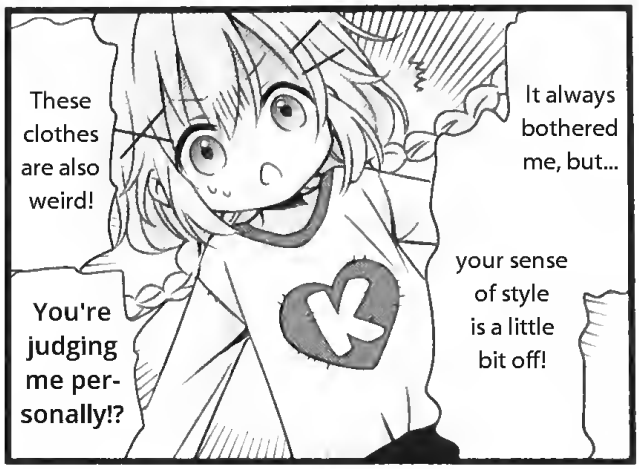
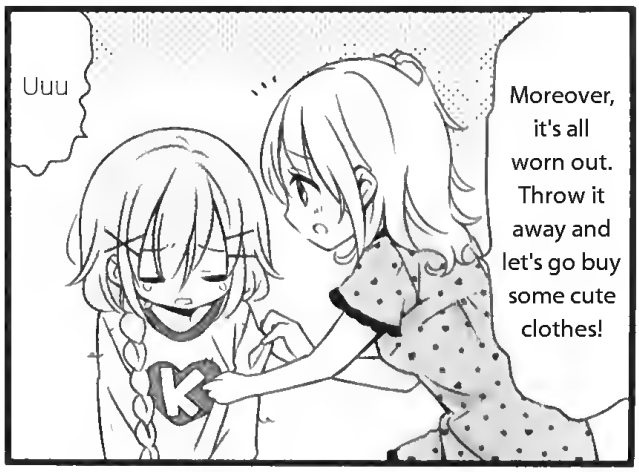
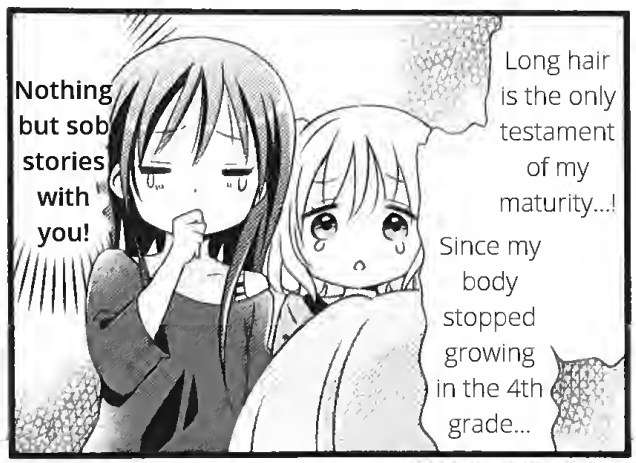
I'm sorry, Kaosu-chan!
Because my body doesn't grow, I just wear them forever...
Or perhaps I also don't understand the timing of when to get rid of clothes...



These clothes are also weird!
You're judging me personally!?
It always bothered me, but...
your sense of style is a little bit off!





Nothing but sob stories with you!
Long hair is the only testament of my maturity...!
Since my body stopped growing in the 4th grade...

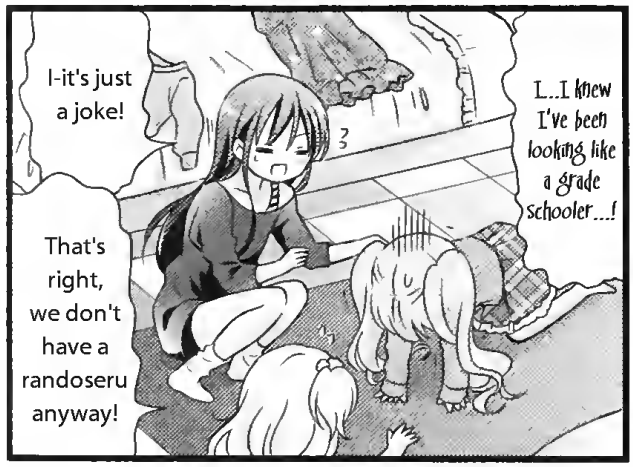
Dressing up Kaosu-chan is so fun~
Wear this next!

Kya— Lovely!!
As for clothes, try on mine—
a little big though

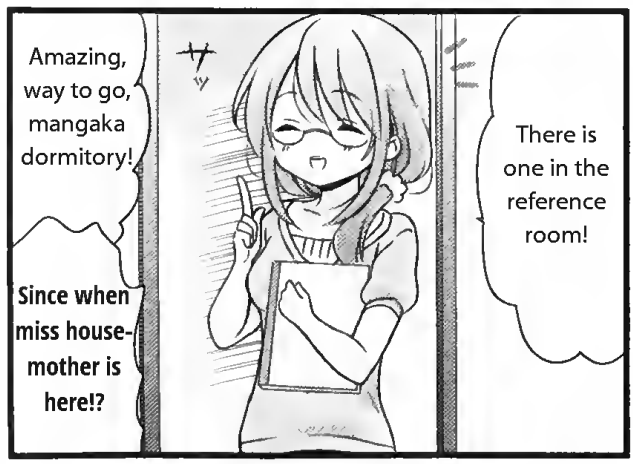
Like randoseru backpack!
Makes me want to add some props too!

How about sporty Kaosu-chan?
This way is also cute!!



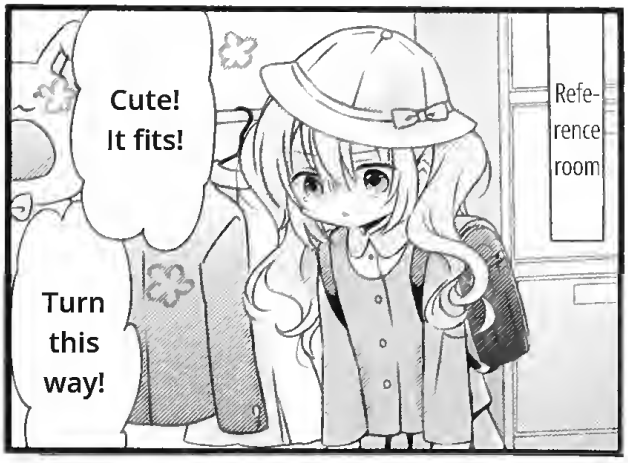
I-it's just a joke!
That's right, we don't have a randoseru anyway!
I...I knew I've been looking like a grade schooler...!

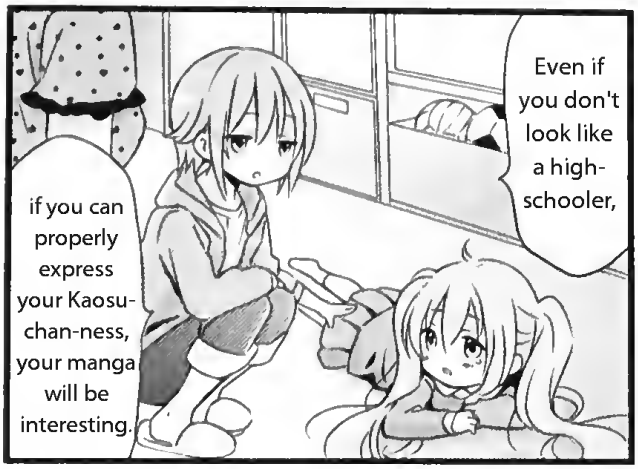
Wah— Trendy also suits you!
Try on my clothes too!!



Amazing, way to go, mangaka dormitory!
Since when miss house-mother is here!?
There is one in the reference room!

you still don't look like anything but a well-dressed grade schooler!
It fits, but...





Even if you don't look like a high-schooler,
if you can properly express your Kaosu-chan-ness, your manga will be interesting.

If I didn't have any friends, I wouldn't have ever in my life noticed, where did I go wrong...!
Thank you all for telling it like it is, even if it's hard to say.
